Case Number 16-11218-j11

Chapter 11

## **NOTICE OF ROBINSON FARMS PERFECTION OF LIEN PURSUANT TO 11 U.S.C. §546(B)**

**ROBINSON FARMS, INC.** ("Robinson"), a secured creditor, files this Notice pursuant to 11 U.S.C. §546(b) of the perfection, maintenance, and/or continuation of perfection of liens against the Debtors' interest in 2,528.77 adjusted tons of silage (the "Crops") harvested on Breedyk Dairy farms in Chaves County, New Mexico, together with proceeds therefrom, pursuant to the laws of the State of New Mexico, including §§48-5A-1, et seq. NMSA 1978 (Repl Pamp. 1995). In support of this Notice Robinson shows as follows:

- 1. Robinson provided harvesting services to the Debtor on May 11-13, 2016, on the Breedyk Dairy farms in Chaves County, New Mexico.
- 2. Robinson timely recorded a Claim of Lien against the Crops in the records of Chaves County, New Mexico. A copy of the unfiled Claim of Lien is attached to this Notice as Exhibit "A." A copy of the Claim of Lien as filed will be filed with the Court as soon as possible.
- 3. Robinson's lien is upon the Crops as described on the attached Exhibit "A" and include those crops harvested for Breedyk Dairy Ltd. Co. consisting of Silage harvesting on Breedyk Dairy farms in Chaves County, New Mexico, as shown on the attached harvesting reports and invoice; the amount and quantity of the crop harvested is 2,528.77 adjusted tons, as shown on the attached reports; the date the harvest was completed was May 13, 2016; the Claim was timely filed within 21 days after the harvest was completed.
  - 4. The price agreed upon for harvesting was \$93,231.84, as shown on the invoice

attached as <u>Exhibit "A"</u>, which is the value of the services of harvesting the crop. The lien exists from the date of the harvest. No part of the price agreed for harvesting has been paid.

- 5. Robinson's statutory lien attaches to and encumbers all of the harvested crop up to the value of the services provided, which is the claimed amount.
- 6. Pursuant to §§48-5A-1, et seq. NMSA 1978 (Repl Pamp. 1995), Robinson's lien creates an interest in property that is permitted to be perfected and is effective against an entity that acquires rights in the property before the date of perfection. Specifically, "the lien shall exist from the date of the harvest." §48-5A-1, NMSA 1978 (Repl Pamp. 1995),
- 7. Robinson believes it has taken all action necessary to perfect, maintain or continue perfection of its lien as a prerequisite to enforcement and foreclosure of its lien against any entity, including the debtor, debtor-in-possession, or any trustee. To the extent additional action is required Robinson hereby gives notice in lieu of commencement of such action to perfect, maintain or continue perfection of Robinson's interest in the crop pursuant to 11 U.S.C. § 546(b).
